# Come to Poland!

PERSPEKTYWY Poland International Education Fair is the biggest and best-known educational event in Poland; held twice a year (fall and spring) it is a forum higher education, offering students and their parents, comprehensive and precise information on studies in Poland and abroad.

The next fair will be held in 7-8 March 2025 in Warsaw at the Exhibition Centre EXPO XXI. The fair attracts every year over 10 thousands of visitors: secondary school students and their parents, university students and teachers. Perspektywy also invites to participate in Regional Education Fairs in the biggest academic cities in Poland the fall.

The Perspektywy fair is accompanied by a rich program of presentations, meetings, conferences and social events for students and teachers. The fair is an excellent platform for foreign schools to reach out to Polish students.

The Fair is organized under the auspices of the Minister of Education and the President of the Conference of Rectors of Academic Schools in Poland.
